# Q1 welcome

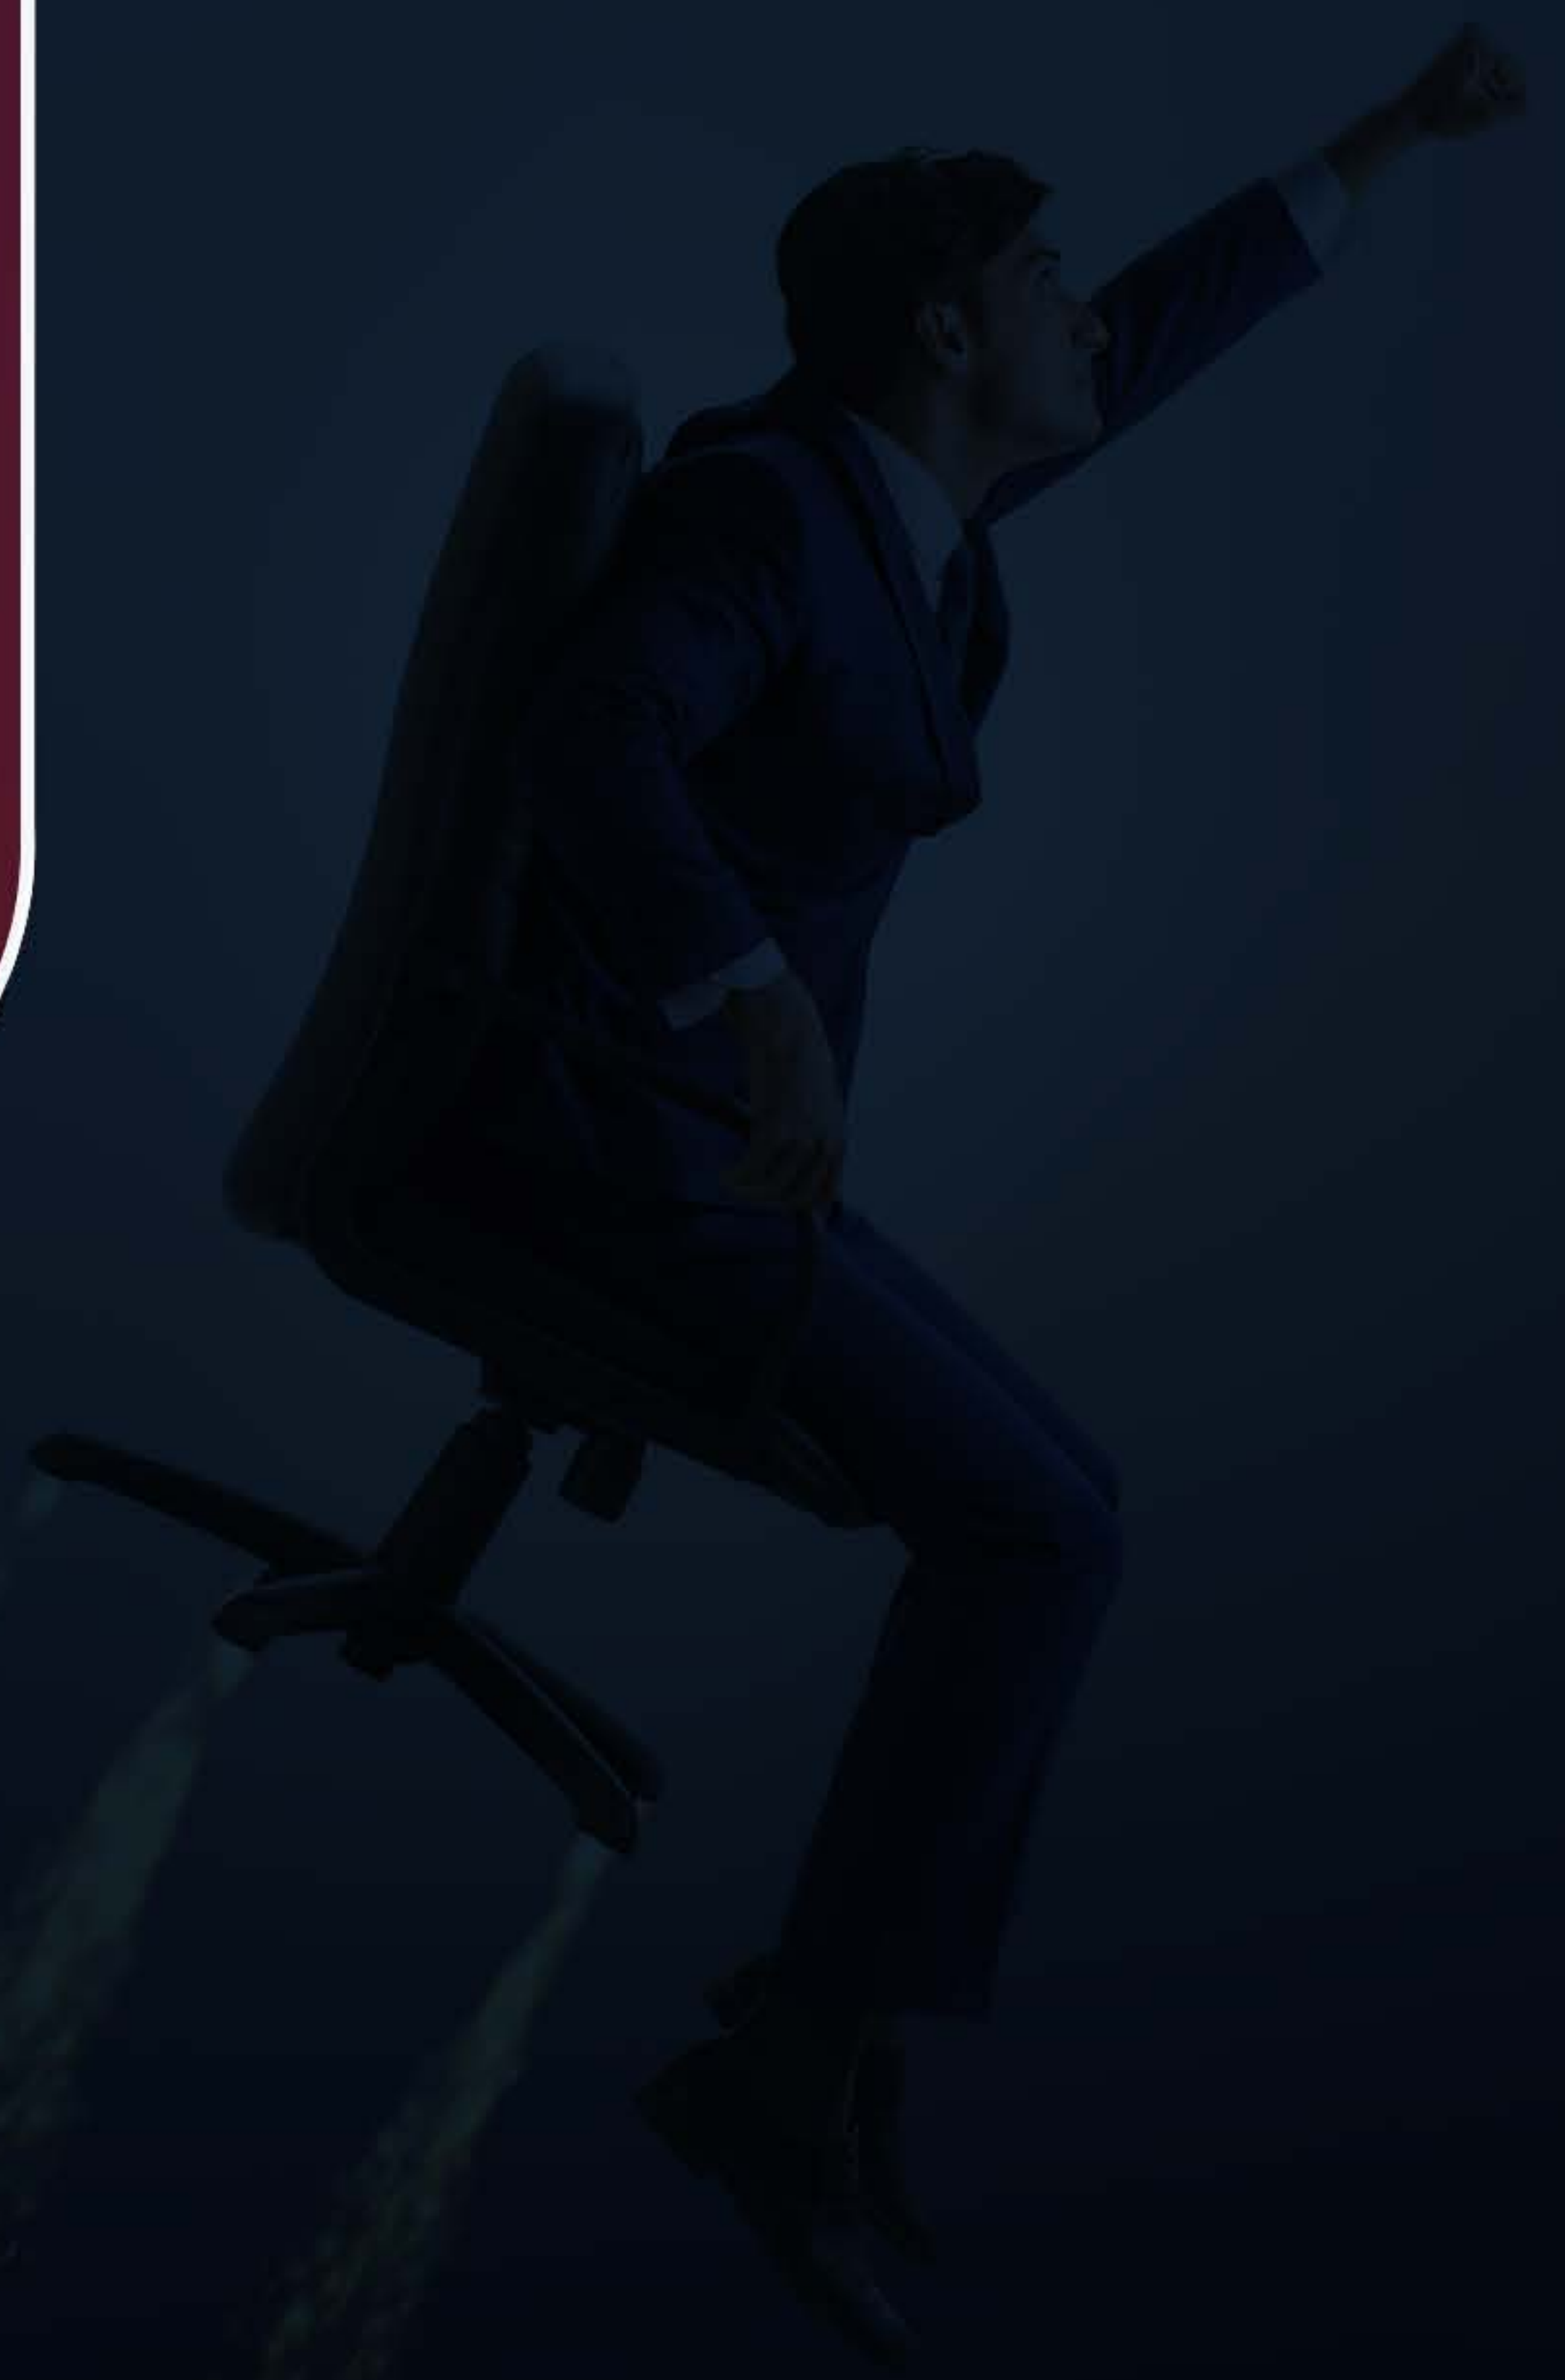

A tribute to the iconic Mr. Pump IT himself!

*The first meme token of 2022. The ultimate memecoin & NFT launchpad for the biggest upcoming projects!*

# 02 Launchpad

We're building an NFT and Token Launchpad dedicated to pumping the most promising NFT and blockchain projects. "The fundamental structure of our launchpad will feature high community involvement. This will be reflected by the number of \$PumpIT holders. Our main objective is to be the most innovative, community driven project out there. We are already in the preliminary design stages and have compiled the strongest team imaginable to deliver a game-changing project. Mr Pump IT, this is for you!

# 05 Creative Team

Our team boasts over 100 years of combined experience in business, assets management and venture capital funds, with a track record in the crypto and blockchain space that speaks for itself. Our road map will give you an insight of what we are striving to achieve. In this road map we have opted to keep out a lot of very exciting ideas that we will only start sharing upon reaching certain milestones with our community.

Our experience coupled with our work ethics and vast network, will enable us to deliver successful and high calibre projects. We are extremely optimistic for the future!
