

RESPECTFULLY

WHITE PAPER

WWW.RESPECTFULLYCOIN.COM

INTRODUCTION

At the start of the global pandemic one of the first industries to take a serious decline was the Entertainment Industry, with politicians even going as far as creating campaigns about Entertainers "Finding a new career path"- leaving many attendees with very little to do.

The Currency of Entertainment

As we slowly ascend out of a bleak year for Entertainment and see clubs and events opening back up to a bit of normality Respectfully, and the team believe we must build a secure community that not only benefits attendees but also benefits and encourages, brands, event planners, hosts and of course the entertainers them selves.

This token is not only for people who enjoy going out and being on the scene. Respectfully offers investors and VC's A niche opportunity for financial gain.

BACKGROUND

ABOUT RESPECTFULLY

We are introducing a brand new DeFi based token focused on the events and nightclub industry with huge partnerships in the pipeline and a core ethos for rewarding long term investors.

Respectfully does this by being the currency of nightlife & adult entertainment

NIGHTLIFE / EVENTS / VIP

NIGHTLIFE

Our mission is to reward the investor, in this case the spender and the recipient at the same time

EVENTS

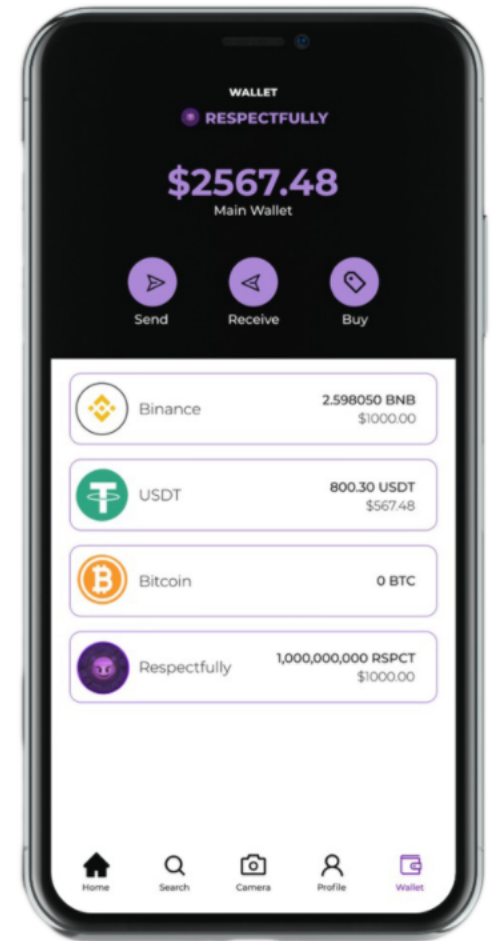

Our community is paramount to our success, we keep a consistent focus on the benefit of our holders and will be launching regular events for respected members of our community

VIP

Respectfully has a tiered community based on holdings. Our most respected members of our community will receive benefits for simply holding \$RSPCTFLY. Benefits include AAA admission to exclusive events and access to pre sale tickets

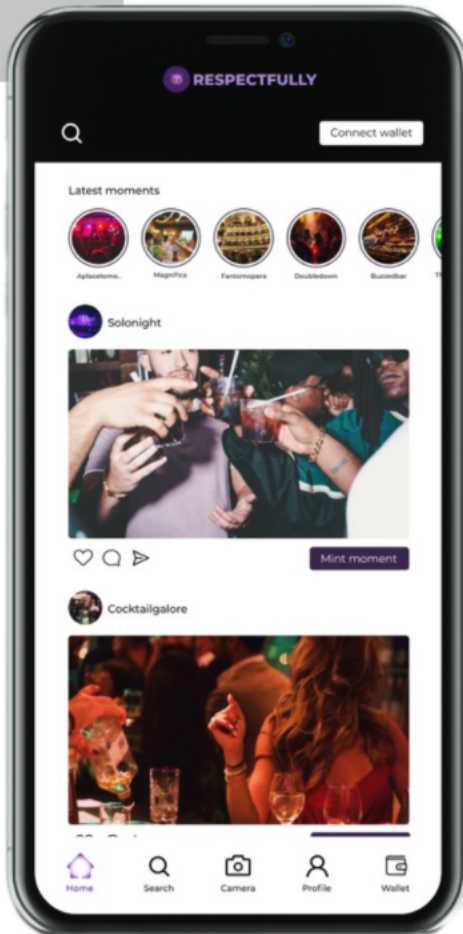

WALLET

The Respectfully Wallet will be the gateway to earning whilst you spend and enjoy live entertainment, nightclubs, strip-clubs, concerts & so much more.

The wallet will be accessible across Apple and Android allowing holders of the coin to reap rewards like none other.

Picture your money, Making you money whilst in a nightclub about to pay for a round of drinks, suddenly that next morning starts to feel a lot better than it used to!

WHAT WE PROVIDE

TIME IN THE MARKET

Our teams experience across events management, marketing, PR and the financial world is second to none which allows us to navigate, plan and execute growth around the world.

PIPELINE PARTNERSHIPS

Our aim is to partner with brands and establishments whom understand the future of blockchain, DeFi and crypto currency and host some of the most enjoyable nights their city has seen.

A few of our targeted partners, some in which we are already in talks with

Respectfully Wallet release

THE TIERED COMMUNITY

THE TIERED SYSTEM

Respectfully pays better for those who use the token more. We have created a tiered system that allows those who are most active to benefit.

Benefits including AAA Admission, exclusive events across countries and access to pre-sale tickets.

EVENTS

We will launch regular events and connect with as many hosts and planners to create events in as many countries as possible.

The more we network with brands/venues/planners, the more profit to be made in Respectfully.

PARTNERSHIPS

We have already locked in some of the most well known brands already and have a huge pipeline building.
