Huge Market Opportunity

Scorpion Casino aims to become the leading platform in the global online betting market, worth \$59.2 Billion annually.

05

THE GLOBAL ONLINE GAMBLING MARKET SIZE WILL BE WORTH \$145.6 BILLION BY 2030

— Online gambling is one of the fastest-growing industries, according to Custom Market Insights.

06

THE PROBLEM

Launching a licensed iGaming platform takes, on average, 12 months and \$2 Million in capital.

Expertise

Due to regulations, it is almost impossible to profit from the gambling industry as an outsider.

Expenses

Building a casino infrastructure from scratch can be expensive - about \$2,000,000.

Time

On average, it takes 6-18 months to establish a fully functioning gambling infrastructure.

07

Decentralized

You can buy \$SCORP with a few clicks, receive daily yield, and build an additional source of income.

High Returns

Gambling platforms have double-digit growth rates and one of the highest ROIs.

No Lock-Up Period

Choose from several options and get the yield that suits you best with or without any lock-up period.

THE SOLUTION

SCORPION is democratizing the online gambling industry by removing the barrier to entry.

08

The Next Leading Gambling Platform

We have built SCORPION to provide
an alternative way to grow your wealth.

\$SCORP LAUNCH

This year - 2023

Building the Future of Online Gambling

It started in December 2021 with the idea of revolutionizing the gambling industry. So, we brought together a team of experts and invested hundreds of thousands of dollars to turn this idea into reality.

WHY NOW?

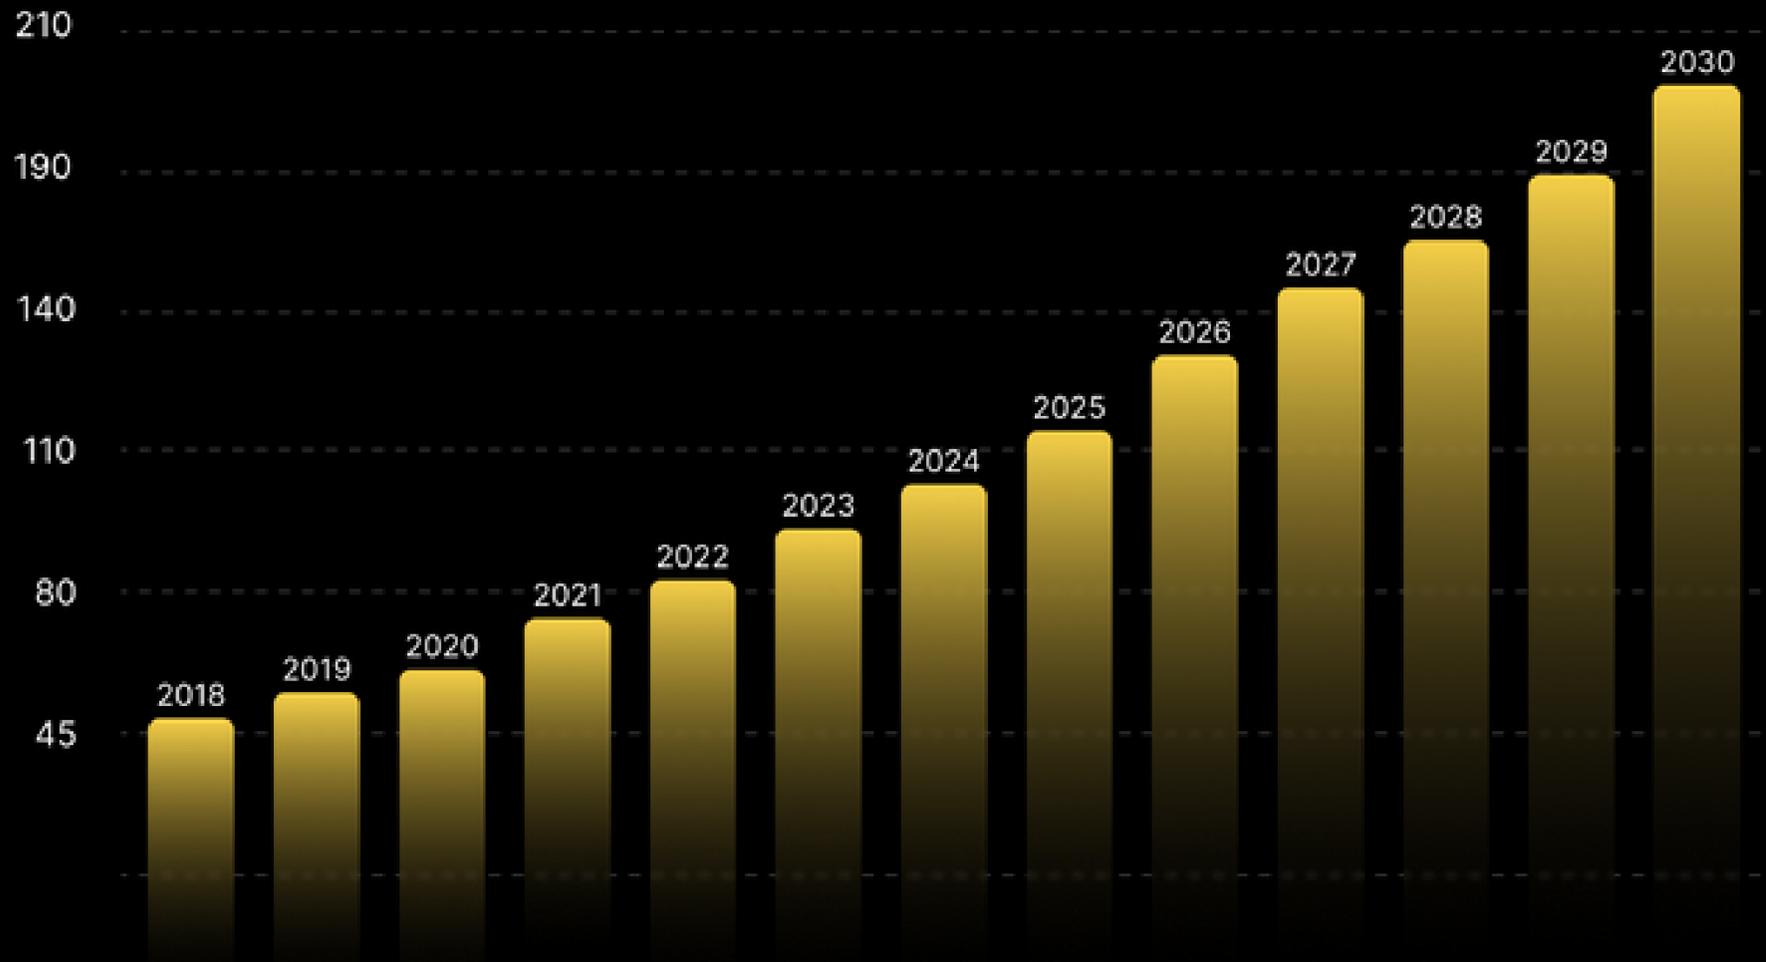

Increasing Inflation

Inflation is increasing rapidly, reducing the value of your capital every year. Therefore, it is necessary to diversify your assets.

Highly Volatile Market

During this global economic turmoil, having a diversified portfolio is critical to protect and grow your wealth.

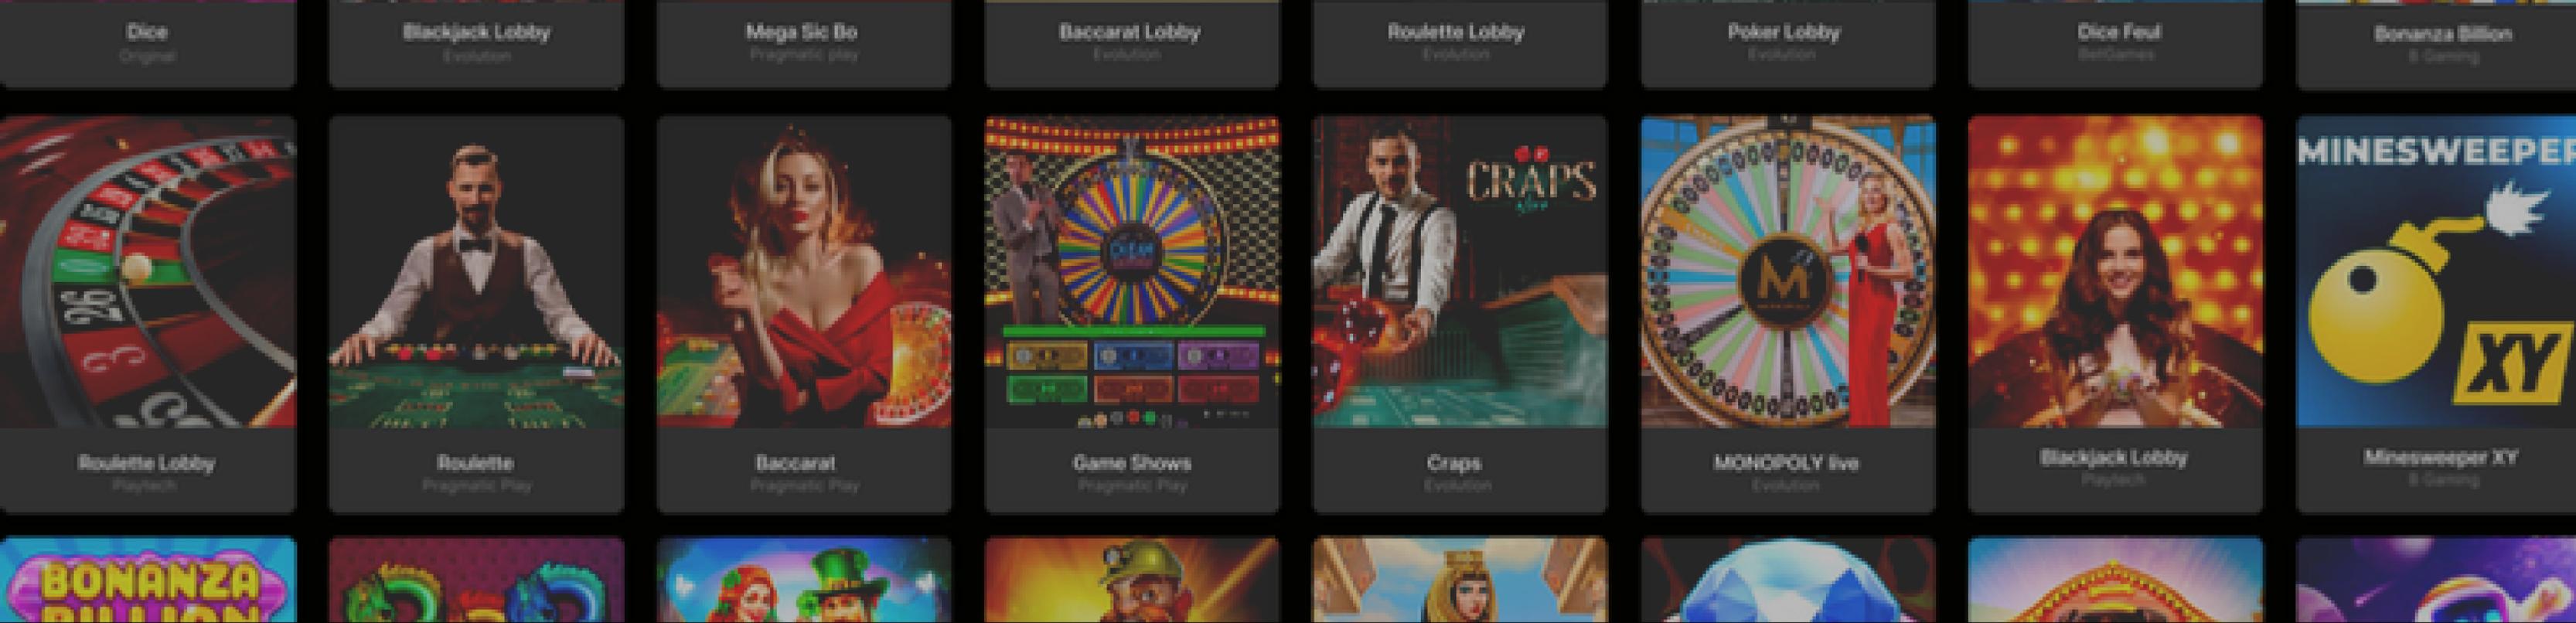

TRACTION

Online crypto casinos are becoming increasingly popular, and online gambling, in general, has emerged as one of the fastest-growing industries. It is projected to experience a growth rate of nearly 300% over the next eight years.

13

ONLINE GAMBLING IS HERE TO STAY

Gambling is one of the oldest and most lucrative industries in history. Over the last 3,000 years, people have gambled regardless of location, time, or market conditions. Gambling is hard-wired in human psychology.

14

HUGE RANGE OF GAMES

Play, Have Fun, and Win Big.

35+ Different Sports

SCORPION provides various sport betting opportunities, including football, tennis, American football, horse racing, basketball, golf, boxing, and MMA.

200+ Casino Games

SCORPION offers a complete online casino with over 200+ games from all major game providers. Casino games include slots, blackjack, roulette, poker, live casino, and more.

SCORPION ECOSYSTEM

The SCORPION Ecosystem:

- **Scorpion.Casino** - A licensed crypto sports betting & casino platform
- **Affiliate System** - Reward and referral system
- **\$SCORP Token** - \$SCORP is a governance and reward token

WHAT IS SCORP?

16

PAYMENT METHOD

\$SCORP can be used as a payment method for the SCORPION Ecosystem.

PASSIVE INCOME

Earn passive income by simply holding \$SCORP.

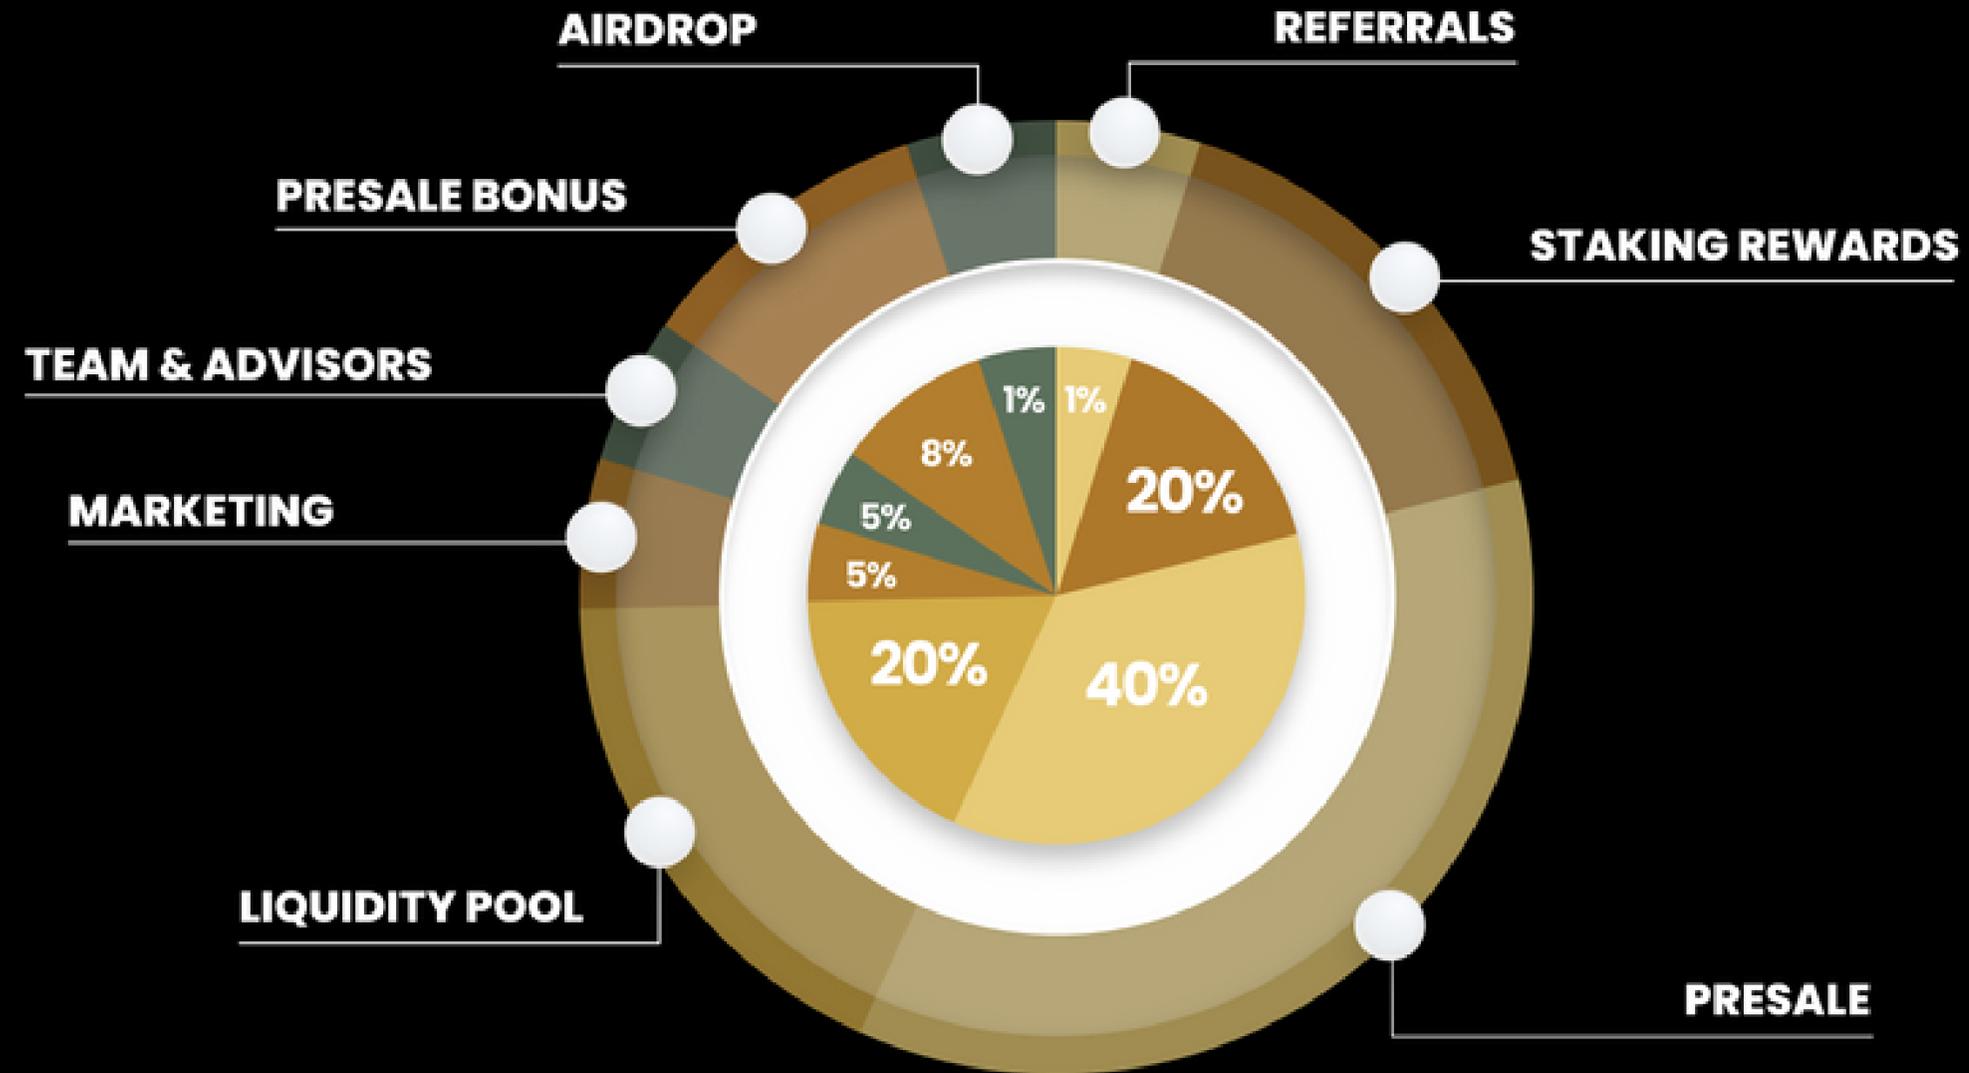

AFFILIATE REWARDS SYSTEM

Affiliate commissions are paid out daily.

TOKEN ALLOCATION

TAXES

0% Buy and 10% Sell Taxes to support the Ecosystem, the LP and reward \$SCORP holders

1B Total Supply:

The \$SCORP token powers the SCORPION CASINO PLATFORM. It is the default currency for betting across sports, esports, and casino games.

2% Liquidity:

Every trade contributes to an auto-generated liquidity pool locked in PancakeSwap. Initial LP created by locking BNB raised in presale.

2% Passive Income:

With built-in re-distribution on every transaction, your funds will keep increasing as long as you hold \$SCORP.

1% Burn:

After each transaction, 1% of the value will be burned. These tokens will then be manually burned upon use.

5% Marketing & Development:

Up to 5% of each transaction is used for marketing and development purposes to grow and stabilize the ecosystem. These tokens will be manually burned upon use.

\$SCORP TOKEN

The \$SCORP token is the utility and reward token that will facilitate all forms of gaming within the ecosystem.

STAKING POOL

Passive Daily Income through Staking. Staking \$SCORP tokens will reduce the circulating supply and enable \$SCORP token holders to earn annual yields while the SCORPION user base grows.

STRATEGIC BUYBACK

20% of the SCORPION sportsbook and casino operating profit will be used to buy back \$SCORP tokens.

AUTOMATIC & MANUAL BURN

50% of the buyback token will be burned. Those tokens will be permanently removed from circulation, reducing the circulating supply.
