# PURPOSE

Jetset is a utility token used in the ever-growing industries of travel, wellness, beauty and luxury lifestyle. Everybody deserves a quality of life and using JetSet will set the gold standard of living. We have strategic partnerships that will offer rewards on travel packages, giveaways, discounts, and exclusive events around the world. Our ecosystem will include NFT marketplace and a decentralized lux bnb rental platform to rent high end homes and exotic cars.

JetSet isn't just a token, It's a lifestyle.

//04

# BUSINESS MODEL

We plan to monetize our ecosystem with various products

01

## NFT EVENTS

Exclusive curated members-only events for our NFT holders. Locations will be provided by our partners at [Socalocations.com](https://socalocations.com)

02

## JETSET LUX

The first-ever decentralized luxury rental platform that allows you to book luxury homes, venues and exotic cars.

03

## NFT MARKETPLACE

A marketplace where buyers and sellers can purchase our NFT's and launch their own projects.

04

## JETSET SWAP

A decentralized exchange where consumers can buy and sell their tokens on the Binance smart chain.

//05

# TOKENOMICS

## CHARITY

3%

Funds will go into a charity wallet. We will choose a charity each month to work with.

## MARKETING

5%

This will be used for expanding the awareness of the token and other products of JetSet.

## DEV TEAM

2%

To support our team and efforts toward expanding the token.

## BUYBACK/LP

2%

We will buy back big dip and provide liquidity back to the pool. This is to ensure stability in price and insurance to the community.

//06
